

Welcome Contestant: So glad you are considering participating in the Miss Strassenfest Scholarship Pageant. Rest assured great steps have been taken to ensure this event will be an enjoyable experience for you. Here are a few highlights of the pageant:

Miss Strassenfest receives a \$1,000 scholarship and an opportunity to represent Jasper in the Indiana State Festivals Association pageant in November (which awards additional scholarships) and 1st runner-up receives \$500. 2nd runner-up, Miss Congeniality and Miss Photogenic titles will be awarded and receive special gifts. What's unique about the pageant is that each contestant will receive nice gifts from local merchants.

The pageant is divided into three categories which include interview, sportswear/casual wear and evening gown. The afternoon of the pageant on July 31st, you'll participate in an interview with a panel of 3 judges to discuss items you listed on your application and/or listed in the Strassenfest Program Booklet. During the pageant you will first be introduced in the suit you chose to wear during the interview. Then you will model the sportswear/casual wear you chose from Maurice's or The Looking Glass. During this part of the competition, a 30 to 45 second video clip will be shown which was pre-recorded during a practice at the River Walk. The finale of the evening includes the evening gown competition.

Pictures will be taken on July 13th at 4:00pm at McCarty's studio. There will be two practice session at the Jasper High School Auditorium on July 13 and 20 beginning at 6:00pm, a dress rehearsal on Thursday, July 29 at 6:00pm and we will all enjoy a nice dinner at The Millhouse Restaurant on Friday, July 30th. A letter with additional information will be mailed to you once your application has been received.

Make sure you read through this material and send the completed application post marked no later than June 30, 2010.

I'd love to answer any questions you may have. Please feel free to call me at 482-2540 or 459-1575.
