Psi Iota Xi Sorority is a National Philanthropic Organization with the Zeta Mu Chapter located in Jasper, Indiana.

The Zeta Mu Chapter was originally chartered in 1956 by twenty-one women from our community. Zeta Mu funds many local projects including a summer language and literacy camp, an annual scholarship, sponsorship of a Girl's State delegate, underwriting new children's computers and learning software for the library, hearing aid assistance grants and support of JCAC.

Psi Iota Xi Sorority was founded in Muncie, Indiana in 1897 – the first of its kind in Indiana. Psi Iota Xi now has over 100 Chapters with over 2,000 active members in Illinois, Indiana, Kentucky, Michigan, and Ohio.

The primary purpose of Psi Iota Xi is to be of service with time, money and love in a cooperative effort within the community. Psi Iota Xi has gained national recognition for its work, especially with children, in the field of speech and hearing.

Nationally, Psi Iota Xi donates over eight hundred thousand dollars to philanthropic projects each year.

The National Organization promotes philanthropic projects on a broad scale. Recent national projects include an endowed professorship for cochlear implant research at Riley Hospital, cleft palate research at Carle Institute, and new programs at the Northwest Ohio Stuttering Institute.
