# The Glockenspiel

## A NEW STRASSENFEST TRADITION

A traditional Glockenspiel is a German musical instrument with a clock that chimes the hour and triggers mechanical figures that perform a dance.

The Strassenfest Glockenspiel features a clock. The children performers from May Pole, Willkommen and Kinderchor, chime the hour and perform a dance on the Glockenspiel balcony. Audience participates in the toast to the performers.

The Glockenspiel stage hosts all of the German Heritage events. Share the joy of the Jasper Strassenfest by posting your picture in front of the Strassenfest Glockenspiel.

# Strongest Town

## JASPER WINS 2022 STRONGEST TOWN CONTEST

The foundation of a strong town or city is about community involvement, support, and investing into one's community for the benefit of all the residents. In February 2022, Jasper was nominated into an annual contest to name the Strongest Town in North America. The contest, in its seventh year, is organized by Strong Towns, a non-profit organization, founded in 2008 by Charles Marohn with decades of experience as a civil engineer and urban planner. The Strong Towns approach relies on incremental fiscally responsible investments, focusing on improving what is already present, and builds on resilience while improving quality of life.

The contest was set up like a basketball tournament with towns competing from across the country. As one of the 16 teams chosen in the first round by the Strong Towns organization, Jasper first competed against Brighton, MI, then Champaign, IL, Yellow Springs, OH, and finally against Norwood, OH in the finals before being named the 2022 Strongest Town contest winner.

During the competition, Jasper was able to profile its great quality of life assets. These include the Jasper Riverwalk, Jasper Train Depot and the Spirit of Jasper train excursions, the Jasper City Mill, the Parklands of Jasper, and the Thyen-Clark Cultural Center. The Courthouse Square Infrastructure and Revitalization project as well as the Impact Jasper Comprehensive Plan and the City of Jasper Multimodal Transportation Plan were touted. The work of the Mayor's Youth Council, the Heart of Jasper, and Dubois County Tourism were celebrated.

# Willkommen Beim Jasper Strassenfest!

## Welcome to the Jasper Strassenfest

Well, another year has passed, and it is time once again to gather as a community to celebrate our German heritage at the Jasper Strassenfest. The 2022 Strassenfest celebration wraps up my term as chairman of one of the greatest heritage celebrations in the state of Indiana as well as the whole United States of America.

I am proud to say that as chairman for the last two years, I have had the privilege of leading a great group of community minded individuals...maybe one of the best ever assembled...to plan this amazing celebration known as "The Jasper Strassenfest". As planning for this 2022 celebration was just beginning back in September 2021, we were informed by the city administration that the Strassenfest would have to relocate in 2022. For the first time ever, the Jasper Strassenfest would not be held on the downtown square. That news may have temporarily slowed things down a bit, but it did not stop this committee from doing what they do best.

As a group, they put their minds together, and after several meetings and several hours of discussion, eventually came up with a relocation plan. With just a few additional tweaks as a result of suggestions from the Mayor and city department heads, a final plan was approved earlier this year, to move Strassenfest to Fourth Street for 2022 and potentially 2023. As a committee, we are very confident that the 2022 Jasper Strassenfest will continue the long standing tradition of being the best celebration of German Heritage that you will ever have the opportunity to attend.

I would like to say "DANKE SCHOEN" to the community, and especially the Strassenfest committee, for your support over the last two years. It has been a privilege to serve as chairman. Once again, please celebrate Strassenfest responsibly. We all look forward to seeing all of you at Strassenfest next year!

**Bob Bleemel, Chairman**

## Hofmarschall

Jim and Rita Corn

## The Jasper Strassenfest Committee is proud to honor Jim and Rita Corn

The Strassenfest Committee is proud to recognize Jim and Rita Corn as the 2022 Hofmarschalls.

The 2022 Strassenfest theme, "A Great German Time", was chosen to highlight an exciting new addition to this year's Strassenfest: a life-sized, handcrafted Glockenspiel. The theme also emphasizes the continued commitment to keep German heritage at the heart of what makes the Jasper Strassenfest such a fun and unique festival.

Jim, a talented carpenter, stone carver and woodcarver, volunteered 2 years of his time to construct the Glockenspiel. In addition to the amazing design and quality craftsmanship of the physical structure, Jim hand carved the two snails and the Deutscher Verein logo that appears on the Glockenspiel. Jim's previous projects include the German Maypole located at the corner of Sixth and Newton streets in Jasper, a wood carved snail on display in Pfaffenweiler, Germany. He was also instrumental in the construction of the Strassenfest German Club booths.

Rita brought her design talents in color, style, balance and floral arrangements to the Glockenspiel. She is a past member of the Strassenfest Committee and performed the May Pole Dance with other members of the German Club during those years.

Jim and Rita Corn have been members of the Deutscher Verein for over 40 years serving in various leadership and support roles in the club. They were previously recognized for their commitment to building German Roots in Dubois County as recipients of the German Heritage Award in 2014.
