### “Strong German Roots Grow Strong Towns”

The 2023 Jasper Strassenfest celebrates 45 years of German Traditions in downtown Jasper and honors Jasper’s designation as the 2022 Strongest Town in the USA and the 20th year of ROJAC, Redevelop Old Jasper Action Coalition. ROJAC was instrumental in transforming the Patoka River Front into a celebration of Jasper’s Rich German History. Their forward thinking to preserve our past, delivers Quality of Life with historical focus for our future.

The Jasper Strassenfest returns to 4th Street for another year. Enhancements include:

1. Move Main Stage onto Thyen Clark Cultural Center Parking Lot.
2. Reconfigured Booth Layout to add 2 new Booths.
3. Half Pot Booth downtown & at Ruler Foods during the Fest
4. New Ride Company, Lark Ranch, and Rides open on Sunday.
5. Expanded Parade Route.
6. New German Bench Dance at Opening Ceremonies.
7. Four new Carvings added to the Glockenspiel.

Delight in the nightly Free, Live Entertainment starting with children performing traditional German songs and dances during Opening Ceremonies. Then the main stage comes alive with popular headliners. The Beer Garden Stage hosts continuous German music. And the Glockenspiel Stage features Family Friendly German Activities and Contests in addition to the live hourly Glockenspiel performances.

Devour your favorite meals at the local Not-for-Profit food booths, and compete in your favorite Strassenfest events. Profits are returned to our community making Jasper and Dubois County a great place to Live, Work and Play.

Many thanks to all of our sponsors! Your contributions provide four days of free entertainment and infrastructure for booths, activities and events; making the Jasper Strassenfest a premier Indiana Festival.

On behalf of all the hardworking volunteers of the Jasper Strassenfest Committee:

Willkommen to the 45th Annual Jasper Strassenfest!

**Laura Grammer, Chairman**

## Hofmarschall

ROJAC Board

### The Strassenfest Committee is proud to honor the ROJAC Board as the 2023 Hofmarschall

#### Redevelop Old Jasper Action Coalition.

In 2003, Dave Buehler gathered a group of civic-minded individuals at the Riverwalk. At the time, their line of vision included a shelter house on the south side of the Patoka River, a dilapidated factory & kiln building, a gas station and a rock parking lot with a metal warehouse on it. Dave proceeded to share his vision of what the old area of Jasper could look like. And thus, ROJAC or Redevelop Old Jasper Action Coalition was born – with the main goal of providing economic development through tourism. The transformation began soon after ROJAC’s inception. With broad-based community support – volunteers, private & public donations, grants and local government – we have what you see today. Because of this beautiful transformation, the goal of increased economic development was realized with the private investment additions of the River Centre and the Fairfield Inn, followed by the grand finale of the Thyen-Clark Cultural Center. All of this started with a vision from one man, Dave Buehler, along with past and present board members who met monthly for the past 20 years. The ROJAC board includes current & original board members – Dave Buehler, Ken Sendelweck, Jim Siebert, Maureen Braun, Nancy Eckerle, Kim Lottes, Bill Schmitt, & Bill Kaiser, along with current members, Joe Rohleder, Mayor Dean Vonderheide, Kevin Manley, Lisa Gehlhausen, Tom Moorman, Todd Fromme Whitney Lubbers. Past board members include – Ken Sternberg, Ron Flick, Leon Fleck, Ken Schmidt, Terry Seitz, Mary Mehringer, Jerry Fuhs, Richard Pearson, Kristen Ruhe. THANK YOU! From the ROJAC board for your continued support and investment in Old Jasper.
